The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the MOVE Culver City Eastern Segment Project in Fiscal Year 2025. The entity to receive funding for this project is the City of Culver City located at 4343 Duquesne Ave, Culver City, CA 90232.

The \$800,000 request would expand MOVE Culver City east to Fairfax Ave to support multimodal mobility and decarbonization through improved zero-emission transportation connections between key regional destinations like Venice, Downtown Culver City, the Culver Arts District, the Metro E Line, and the West LA Transit Center at Washington Blvd / Fairfax Ave.

The project is an appropriate use of taxpayer funds because it will benefit numerous communities through enhanced transit service and active mobility.

The project has a Federal nexus because the funding provided is for purposes authorized chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sydney Kamlager-Dove
Member of Congress
