The Honorable Rosa  
Ranking Member  
Committee on Appropriations  
1036 Longworth HOB  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

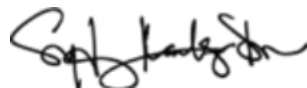

I am requesting funding for the Avalon Gardens in the Fiscal Year 2027. The entity to receive funding for this project is the Housing Authority of the City of Los Angeles located at 2600 Wilshire Blvd. Los Angeles, CA 90057.

The \$1,200,000 request will be used to install air conditioners and ceiling fans for all 164 residential units at Avalon Gardens to provide relief from the hot weather in Southern California. To help the site cope with higher temperatures and provide relief to the 381 residents HACLA is proposing a community project to upgrade the site with 164 air conditioning units and ceiling fans. This initiative is not just a housing upgrade - it is a crucial adaptation to ensure the safety, comfort, and health of every individual in our community.

The project has a Federal nexus because the funding provided is for purposes authorized under 42 U.S.C. 5305(a)(2)

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sydney Kamlager-Dove  
Member of Congress
