Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Better Overland & Safer Fox Hills Project in Fiscal Year 2026. The entity to receive funding for this project is Culver City located at 9770 Culver Blvd, Culver City, CA 90232 .

The \$5 million request will enhance pedestrian and cyclist safety on Overland Ave through protected bike lanes and curb extensions, connecting key destinations across CA-37.

The project is an appropriate use of taxpayer funds because it will improve bicyclist and pedestrian safety; encouraging bicycling as logical first choices over driving; encouraging physical health through active transportation; and improving environmental health by encouraging biking & walking as attractive, comfortable, and safe alternatives to motorized travel.

The project has a Federal nexus because the funding provided is for purposes authorized in 23 USC 202.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sydney Kamlager-Dove
Member of Congress
