The Honorable Rosa

Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

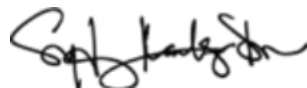

I am requesting funding for the Epworth Apartments Capital Improvements in the Fiscal Year 2027. The entity to receive funding for this project is the City of Los Angeles located at 200 N Main St Suite 1500 Los Angeles, CA 90012.

The \$980,000 request will be used to provide supportive housing for at-risk youth with services, sustainability upgrades, and goals for safety, efficiency, and affordability. It will include 20 units of affordable housing—19 for transition-age youth experiencing homelessness with mental health needs and one for an on-site property manager—along with supportive amenities such as a resource center, counseling rooms, community space, an outdoor courtyard, and subterranean parking.

The project has a Federal nexus because the funding provided is for purposes authorized under 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sydney Kamlager-Dove
Member of Congress
