The Honorable Rosa
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

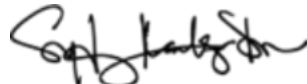

I am requesting funding for the Hoover Recreation Center Accessibility and Facility Improvements Project in the Fiscal Year 2027. The entity to receive funding for this project is the City of Los Angeles located at 200 North Spring Street, Los Angeles, CA 90012, Rm 460.

The \$3,750,000 request will be used to support accessibility and infrastructure improvements at Hoover Recreation Center in the University Park neighborhood of Los Angeles. The project will replace the existing playground with a modern ADA-accessible playground, construct accessible paths of travel, renovate the recreation center to improve ADA compliance, and upgrade outdated electrical and mechanical systems.

The project has a Federal nexus because the funding provided is for purposes authorized under 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sydney Kamlager-Dove
Member of Congress
