March 27, 2026

The Honorable Tom Cole
DeLauro Chairman
Committee on Appropriations
H-305, the Capitol
Washington, D.C. 20515

The Honorable Rosa
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

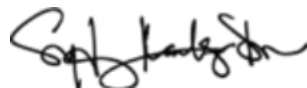

I am requesting funding for the LA Convention Center Fire System Infrastructure in the Fiscal Year 2027. The entity to receive funding for this project is the City of Los Angeles at 200 N Main St Suite 1500 Los Angeles, CA 90012

The \$1,500,000 request makes safety upgrades to the fire system infrastructure throughout the West Hall garage level at the Los Angeles Convention Center (LACC), which entails the removal of outdated systems and the installation of new piping. Anticipated outcomes include improved system reliability and performance, reduced maintenance and risk of leaks, and safety enhancements for LACC occupants and assets. Outdated systems pose a significant risk as they may fail to detect fires promptly or activate alarms and suppression systems effectively.

The project has a Federal nexus because the funding provided is for purposes authorized under 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sydney Kamlager-Dove
Member of Congress
