The Honorable Tom Cole  
Chairwoman

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth HOB  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Exposition Park Public Safety Dispatch Upgrades in Fiscal Year 2027. The entity to receive funding for this project is the City of Los Angeles located at 700 Exposition Park Dr, Los Angeles, CA 90037

The \$2,800,000 request would help modernize public safety dispatch capabilities at Exposition Park by upgrading dispatch consoles, interoperable communications systems, and incident management technology. The improvements will enhance coordination among law enforcement, fire, EMS, and event security, improving response times and situational awareness during emergencies and large public events. These upgrades will strengthen public safety operations and support effective emergency response for the millions of visitors who attend events at Exposition Park each year.

The project is an appropriate use of taxpayer funds because it is designed to prevent crime through upgraded dispatch equipment that would provide a safer park experience.

The project has a Federal nexus because the funding provided is for purposes authorized in 34 U.S.C. § 10152

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sydney Kamlager-Dove  
Member of Congress
