Dear Chairwoman Granger and Ranking Member DeLauro:

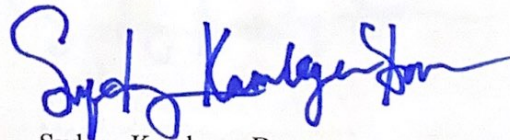

I am requesting funding for the South LA Community Resilience Center Project in Fiscal Year 2024. The entity to receive funding for this project is South LA Community (SLAC) Foundation, located at 1700 Browning Blvd., Los Angeles, CA 90062.

The \$4,000,000 in funding would be used to erect the South LA Community Resilience Center within the community. The project is an appropriate use of taxpayer funds because through the creation of the center the community would be able to expand resilience programming and workforce training in order to help this community and its surrounding neighborhoods mitigate and adapt to climate-related environmental and societal disasters. It would also reduce negative economic impacts as a result.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C 5305(a)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sydney Kamlager-Dove  
Member of Congress
