The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding UMMA Health's Specialty Care and Neighborhood Pharmacy in Fiscal Year 2027. The entity to receive funding for this project is the University Muslim Medical Association located at 8020-8024 S. Vermont Ave., Los Angeles, CA 90044.

The \$3,500,000 request would support the develop a community-serving health and wellness center. The project will transform a currently vacant 15,000 square foot lot already owned by UMMA Health into a 6,000-square-foot community healthcare facility, expanding access to essential services for residents of South Los Angeles.

The project has a Federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sydney Kamlager-Dove
Member of Congress
