Dear Chairman Cole and Ranking Member DeLauro:

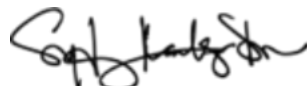

I am requesting funding for the Western Our Way: Traffic Safety & Transit Access Project in the Fiscal Year 2027. The entity to receive funding for this project is the City of Los Angeles Bureau of Street Services located at 200 N Spring Street Los Angeles CA 90012

The \$4,500,000 request will be used to transform 5 miles of Western Ave. between Century Blvd and King Blvd into a safe corridor that will prevent collision-related death and injury, and improve the pedestrian and transit rider experience. Improvements include new crosswalks, curb extensions, hundreds of new trees and pedestrian lights, center medians, and speed bumps in the surrounding residential neighborhoods.

The project has a Federal nexus because the funding provided is for purposes authorized under 23 USC 13.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sydney Kamlager-Dove
Member of Congress
